

The HPC No Quibble Warranty

5 YEAR
NO QUIBBLE WARRANTY

Unlike other manufacturers 'Free of Charge' warranty plans there are...

No hidden costs
No stage payments
No excess demands
No previous claim penalties
No restriction on hours run and definitely...
No Quibbles

The HPC No Quibble warranty plan is a customer orientated package that underlines the reputation of HPC equipment for reliability, quality of engineering and durability.

In the unlikely event of a fault occurring with your new HPC equipment, the plan provides you with the confidence and knowledge that the fault will be rectified quickly, expertly and without cost.

All HPC ask of you is that your new equipment is covered by a suitable service agreement with an HPC or an HPC Authorised Distributor for the duration of the warranty.

The HPC No Quibble Warranty

What is the HPC 5 Year No Quibble Warranty?

HPC's 5 Year No Quibble Warranty is available from HPC and your HPC Distributor on all new HPC compressed air packages. This warranty is given free of charge provided that you undertake an HPC Service Agreement. Unlike other manufacturers 'free of charge' warranty plans, there are no hidden costs, no stage payments, no excess charges, no previous claim penalties, no restriction on hours run and definitely No Quibbles. In the unlikely event that you have a problem with your compressed air system it will be repaired quickly and efficiently by HPC or your HPC Distributor and you will not incur any labour or material costs.

What does an HPC 5 Year Warranty cover?

The HPC 5 Year No Quibble Warranty could not be simpler. It provides unlimited cover for all major components throughout the 5 year duration of the warranty. The cost of labour and materials is included, ensuring your complete satisfaction and peace of mind. The HPC 5 Year No Quibble Warranty is available to every HPC customer provided it is ordered prior to delivery of equipment, and that you undertake an HPC Service Agreement with HPC or an HPC Authorised Distributor.

With the HPC 5 Year No Quibble Warranty you can be assured that there will be no unforeseen expenses, you will have predictable service costs for 5 years and can be secure in the knowledge that only HPC Genuine Spare Parts are fitted by factory trained service engineers.

Key Warranty Features

- **Cover for complete packages**
- **Total peace of mind for 5 years**
- **No labour or material costs**
- **Only HPC Genuine Spare Parts fitted**
- **The support of HPC and HPC Distributors**
- **Definitely No Quibbles**

What do you need to do?

At the time you make the decision to purchase your new HPC compressed air equipment, complete a registration document for the HPC 5 Year No Quibble Warranty and pass it back to HPC or your HPC Distributor. HPC will then send a certificate and log book providing full details of the registration and scope of cover.

Authorised Distributor

HPC is part of a global operation and places a high priority on professional customer support through its UK team of skilled, professional and dedicated engineers and Authorised Distributors. Having worked in partnership with HPC for many years HPC Distributors have a reputation for excellence in all fields of compressed air generation and offer expert, professional advice.

Providing practical solutions whilst tailoring packages to each individual requirement you will benefit directly from their investment in specialised training and have a guarantee of workmanship. You can be assured therefore of extremely good service from your first point of contact and for years beyond.
