

1994

TCAS was founded by current Director Dave Murray and ex-director, Alan Smith, at unit F1 Castle Trading Estate in Priorslee. The company had 1 employee!

2000

Marks the year TCAS moved to Stafford Park 12, occupying 3000 sq/ft.

1995

Our fleet began to grow with a new engineer who remains with the business today!

DRYAIRHIRE
FIVE

2008

The year we switched major compressor brands to HPC Compressors PLC.

2011

The expansion of our offerings, introducing major hire compressor packages which later developed into the renowned Dry Air Hire 5.

2007

The final stages of our Trade Shop opening. Here you can see Dave and Alan stocking up the shelves.

2014

The launch of Dry Air Hire 5 which was unveiled at the Air-Tech NEC Exhibition.

2019

Relocated to Stafford Park 1, expanding to 5000 sq/ft.

2016

The fleet growing further outside Stafford Park 12 offices.

Future Plans

New online shop where in excess of 10,000 products will be purchasable online.

2024

The service team as it stands with expansion plans for the sales and service team in the future.
